

BACKUP CAMERA SYSTEM FOR FORD TRANSIT - CONNECT VEHICLES RVS-776619-NM

 **REAR VIEW
SAFETY**
A Safe Fleet Brand

This Ford Transit Connect backup camera system is complete with a crystal clear 7" TFT LCD color monitor with distance grid lines and an OEM backup camera that installs like a factory made camera. The system is complete with a 170° Sony® CCD camera with night vision and all the wires, connectors and mounts you will need. The rear view camera is completely weatherproof with an IP68 rating, strong and reliable, shock resistant with a 10G vibration rating (highest in the industry) and the system comes with a full year warranty. The Ford Transit Backup Camera is very easy to install and the camera replaces one of the lamps on top of the license plate area. The camera also has the light to display the license plate area.

Backup Camera fits Transit Connect vans from 2010-2016.
