

150° BACKUP CAMERA WITH 9 INFRA-RED ILLUMINATORS

RVS - 777

A Safe Fleet Brand

DESCRIPTION

With a robust, waterproof encasing (IP68), this backup camera will be fit to withstand all weather conditions. It has a wide viewing angle of 150° and 620 TV Lines for the clearest image behind your vehicle. This clear image will remain even at night thanks to 9 infra-red lights which provide excellent night vision. The backup camera comes included with a 66ft cable, an RCA adaptor (to connect to any monitor with RCA inputs) and a one year warranty.
