

REAR VIEW SAFETY MEGA DEALER PROGRAM

In celebration of our 10 year anniversary, we are proud to introduce the MEGA DEALER Program – An affiliate program that truly keeps the dealer in mind. After all, we wouldn't be here without you, our dealers.

WHAT IS THE MEGA DEALER PROGRAM?

Oftentimes fleet managers ask for quotes from a dealer, then turnaround and go straight to the vendor for better pricing. You will be protected with the Mega Dealer Program. Even if the fleet customer purchases from us directly, you'll receive an affiliate commission from the sale.
